Hi Greg this is James. I wanted to find out if any of the windows or skylights have arrived for our projects? Are we able to come and pick them up? Can you please get back to me?

Hello James, The three windows Donny ordered Saturday will be here Friday. They are a basic size so easy to get. I'll set it up for Donny to pick up all of them .

Also Donny emailed me about a fourth window. That window is 268 I can get that one quickly also.

I talked to Donnie this morning. I told him to come by the office and pay the delivery fee and I would put him in the schedule for delivery. He is supposed to be coming by today to pay the delivery fee and then I will let you know when I can drop them.

Can I pay you via credit card over the phone?
