Good morning Kenny this is James Dornfeld. I have been working with Donnie Noland on my home in North Scottsdale. Donnie had surgery and is not available so I would like to work with you directly in order to get the remaining insulation we need to complete our house. Can you please confirm that that's OK with you? Do you have all of the materials that were ordered and can I come by and pick them up?

Hi Kenny. Did the blow in insulation arrive yet?

Thursday 1:49 PM

Donnie guy picked up insulation

Thank you Kenny

You're welcome

Let me know if you guys need anymore. I think you guys have plenty. Give Donnie our best wishes with his son
